## DESCRIPTION

The distinctive look of these 0RB3016 sunglasses by Ray-Ban recalls the bold style of the 1950s. This browline silhouette is currently enjoying a resurgence among fashion savvy wearers. Constructed with a top bar and contrasting metal bridge, the full rim frames are crafted from a combination of metal and acetate, and both materials are lightweight, hypoallergenic, and durable. Signature metal rivet accents on end-pieces and temples and small white Ray-ban logo on the right lens add an elegant touch. Enjoy a look that makes a classic statement with these sunglasses from Ray-Ban.
