## DESCRIPTION

KITS created the Mitchell sunglasses for the wearer with dignified tastes and a preference for top quality eyewear. These slim metal frames are lightweight and corrosion resistant, with a sturdy double bridge for a classic look. The skull temples curve gently inward for added stability behind the ear and feature coated tips for a comfortable feel. If your personal aesthetic lies between conservative uptown and edgy downtown, these Mitchell sunglasses from KITS are a smart option. Please note these frames fit large and are best suited to those with wider faces.
